Herbert Kolb 2013 in Nuremberg

From October 7 till 14, 2013 our longtime friend Herbert Kolb (91) from the USA visited his native town. 70 years after his deportation to Theresienstadt concentration camp he was invited by the local archives to speak to students and an open audience. We and the people who met him during his stay admired his untiring energy and the accuracy of his memories.
Herbert delivering his speech at the reception to his honor on Oct. 7 in the Documentation Center at the Nazi Party rally grounds
